

TARLAN NURIYEV

PRODUCT MANAGER

About Me

Hi! I'm an experienced IT Project Manager with 12+ years leading digital transformations and cross-functional teams. I excel in Agile (Scrum, Kanban), BMAD frameworks, and AI-driven workflows to boost efficiency, using tools like Jira and Trello. Passionate about optimizing processes from idea to launch. Seeking innovative projects to grow, value collaboration, innovation, and impact. Open to new challenges and connections!

Language
